

## Membership Categories

Membership is open to all persons and companies interested in the practice and advancement of lumber drying principles.

- 1. Company Membership:**  
All employees designated by the company become members. Companies with multiple drying locations would be required to apply for membership at each location for the employees at each location to be considered members.
- 2. Individual Membership:**  
Person(s) not affiliated with a company membership. \*
- 3. Associate Membership:**  
Students, retired persons, or employees or officers of other non-profit organizations.

\* If more than one person in a company decides to join, a company membership should be requested.

# OHIO VALLEY LUMBER DRYING ASSOCIATION

---

## Objectives

The OVLDA is a non-profit organization formed by members of the lumber drying industry to provide the following objectives:

1. Provide a forum for exchange of ideas, information and a problem solving network for kiln operators throughout the states of Kentucky, Ohio, Indiana, and the surrounding regions.
2. To represent the interests of the profession of lumber drying.
3. To promote the science, technology, standards, and practices of lumber drying and associated industries

## Membership Benefits

A few of the benefits of becoming an OVLDA member include:

1. Recognition of outstanding members and individuals.
2. Reduced meeting registration fees.
3. OVLDA voting privileges
4. Scholarships
5. Interaction with peers
6. Technical information updates
7. Continuing education programs
